

Udo(concerned) : "what is the situation with the

Udo(concerned) : "what is the situation with the lack of medical preparations for this sudden eruption.."

Officer(solemn) : "the first batch of people who were usurped up by the eruption mind my words has send a recording to me#..

People(confused) : "um..but we were supposed to be unable to breath out of the volcanic gasses but nothing is happening yet the volcano is erupting all this smoke..um..is it Ash like um..um.. Ash : The Phantom of Try#..Lastly Phantom,#,..(giggle)..

Win Win All/Left Alas to Fall/Reset Caution/Oh Lastly alas look survived the Phantom..

Oh Swift Swift..Oh Swift Swift Swift Swift Question/hush..reset reset..Caution Swift Question..

um..are you a um..are we um.. no what's a question#..Swift Question,#,.."

Udo(very angry) : "Liro you lowlife why have you returned from rejection hum#..Reset Caution,#,.."

Officer's Encourage(giggle) : "Oh Down to The Wire/Preparations there thus my want will be tested just as whose fire/Oh Can You Desire/If not why me says I will thus what's i you as in higher..

Down to the Question/Swift unless alas Resets to Contents/Facet Look Cacturne/Thus Reset Reset..Oh Causality Caution#..yeah it's so countering and then that counter will revert back to Causality again from self-detachment saw..Oh Reset Caution..thus look Refilled Concern#..Living Question,#,.."

Udo(very angry) : "Orrie you lowlife why are you making unbinding seem as random without any causal fruit of action hum#..Living Hunter,#,.."

Voices(heard,complaining) : "see Mr Vombad how Orrie is irritating us to change to move or face self#..Living Painter,#,.."

Another Voice : "objection compeers as after this i was left.."

All including Entourage(very angry) : "hey hey behave notationally in illusion#.."

Ismael(giggle) : "Pole Pole Pole Pole change the form..change of me change concern/Else look any left is Daily Daily..oh i in tuition to my says committed to what's Hologram..oh the cycling behalf incise Focal Bludgeoned..Causality Then you Ontology's..in self to be's Popcorn#..Simile Hologram,#,..

On the Stand on the rank/humble Pie on the flanks/Onus then on the reignOh Bonus Candous..Peril Rends#..Onus Render,#,..yeah Okkie aunty was telling mom how in () section the basic economy she couldn't handle properly then a strange facilitator came in and said like,

Pole Pole Pole Pole Pole Pole Set a goal or oh boo soul/detachment from practice makes me the answer hollow..oh that's absolute drowning..answer then oh absolution#.."

Officer_Mentioned(frown) : "The Critical Drowning indeed..albeit countering#..Office Answer,#,..and all you do is to intercept most confidential messages and transmit it to the whole world#.."

Ismael(giggle) : "um..no i can't know how another is doing it's only my doing and projection,inspection..shh..so much expection#..Guzzle Humdrum,#,..,so what do i do hum unlike you i can concur changes#..GH Comes Gone,#,..,shuu..vengeance..shh..so perfectin'#..Guzzle Humdrum,#,..,then i recalled like,

um-hum.. conscious in facts/fiction..oh then pacts..um-hum/existing then in act/foundation..countering conscious i in fact..um-hum..fiction of seeing..um-hum thus conscious trapped..um-hum#..Conscious Trap,#,.."
