

Dawn(laughing..) : "well i was obviously abducted

Dawn(laughing..) : "well i was obviously abducted to meaning of public in self countering specific private being in self#..Connect Destination#..exactly which curse i somehow avoided#..Devout Ration,#,..so#..then they generally avoided mom and dad and Convene Skats always offended anyone as they were despite being thus also them#..Convene Skats,#,..exactly why#..but for some strange reason mom and dad always listened to#..Shrew the Drew#..Civility,Education&Culture,#,..Drew too un..long,#,..so#..then day one they contacted him none needed to know how to in case of either he r his he#..Shrew the Drew Cue Combu the Fightin' Who..The Unanimous Ones,#,Drew+May un..long,#,..so#..then they contacted Drew none contacted May first cause they would be unable to tell her why exactly they need a solution as me like who#..Combu the Fightin' Who,#,.. exactly why a thoroughly cunning pro like that could immitate the lifestyles of#..The Described Ones,#,..who were agnostic to notion only condition#..The Described Ones,#,..so then they contacted Drew and first dad asked of my safety,physical full mental fool reactively cool comprehensively thus physique a mere tool#..Education,#,..then mom angrily told that none has any confidence on The Convene Skats barring physical absence in the middle of mental desperation#..Convene Skats,#,..exactly why#..the reply is#..Intervention : The Smartness of Pass why#..Culture,#,..then they ofcourse were allowed to talk with me i told them it's ok i feel more at home albeit mentally#..then they said but you were the most normal i said i feel don't bother i feel more at home albeit mentally#..Baby Dawn Groudon,#,..at least i didn't say like,hey sweetie, no no if you know me then how may i help being#..Dr Jackal,#,..or even worse,here my baby, spatially definition wise intentionally collaboration wise yeah#..DaisyDevil,#,..so#..then they ofcourse persued so Doctor Slate took over,#,..the first words..greetings compeers this is from the point of view of#..mine that feeling#..Dashing Crook,#,..exactly why,#,..to this thry complained to#.. Incentive Overdose#..then ofcourse Poppy flower tries to brush it aside as attempt not absolution#..Incentive Overdose,#,..so they said it was all because of her projected involution#..the reply is no no i must assume you're not me in order to be me clinically not really#..Incentive Overdose,#,..so then they put her on with Doctor Slate who said it's ok Dawnnny is registered with the Elite4 Poppy will be there..,you assurance's pointer to assumption not adherence's b.#..Incentive Overdose,#,..so thankfully my parents fled#..but i was forced to listen to the logics which i didn't understand any need for#..Incentive Overdose,#,..later Doctor Slate said none of the flowers understand what is actuality and why is it not qualia hence they're completely devoid of rationale only methods of self validation of stimula#..WaterFire,#,..then i said but they are never projected by people as something ensuing unlike say Fortune Haps,#,..said no they aren't subject to relative consultation only spontaneous suggestions of best not next in need of spontaneity countering perseverance by escape from actuality wrapped in duality..Am Where Oh Name Sewar i realized albeit in question not situation of me#..Fortune Haps,#,..so# then..i said what does mine that feeling mean hum#..said just as dear is to be never to be i/i thus will only be just in feels of try..so excusin' we too were told#..Guzzle Humdrum,#,.."
