

## Rescuer(haste in Emergency call drowning

Rescuer(haste in Emergency call drowning incident) : "we're on sir.."

Head(frown) : "what happened.."

Rescuers(haste) : "a boy drowned.."

Head(scowl) : "subverting spontaneous action..office oh survival drown will you under own why am i left no subject boo yoir contraction..observer shoo.. don't bother compeers it's just the call from me to you..the least wanted#..Office Answer,#,.."

Drowned boy(waking up..) : "um..where..um..no where is um..i..um..no am..um..no where..um..are you a um..are you you..um..no there's none um..am i um..no is i drowning under my observation..(giggle)..is you authorized as Nihul like infinity Office then askes observer for expalaning being an observer thus an intrinsic limit#..Drown Under,#,.."

Answer : "self too vision prone.."

Drowne Boy(giggle) : "thus i too observer owned..illusion boo#..um are you not i and you but um..You Are the you#..Confuse Sack,#,..like you are the are you are Remix Own#.. it's so um..prone like um..it's so dual illusion so real like me never calculated as horizon of um.. whatever is own yeah#..Physics Prone,#,.."

Head(very angry) : "thus duality too physics prone compeer this uncivilized river only wanted to check if you too said it is not it as is counting too clever as..as look essnece says observer your existing too limiting for i..self shoo#..Remix Own,#,.."

Rescuers(giggle) : "disaster so physics prone#..Remix Own,#,.."
