Kelly(scowl) : "this story..a boy accidentally wins the main interregional tournament on one sports then meets this girl who wins the same in another sports then they get in a relationship without any intersection between languages and staying at long distances with the places not being governed by proper authorities and so on the girl has a way harder time the boy despite staying firm in his career ignoring the girl supports her all the way and as much she remains firm on her conviction to be only him and so on in the end this boy goes on to win all the major medals and brings the girl home later they finally are relieved off the hardships as recognitions come better late than never format the optics correct is tactics learning the relationships tracing the definitives then this sound..shh..so big a derivative tree of possibility..who wrote these sentences hum certainly none who are 3 year old like you two..PHYSICALLY#..Foregone Claps,#,.."

Guang&Gus : "we don't understand this mom we only said Itzie and Yagmie isn't subject to bifurcation for us not representation#..Fortune Claps,#,..and the end part was added by Batzie..Prefer Prefer Unknown/Halt Rafer Total Too Known/Physics Physique Prone/Boo derivatives mind honed#..Calculators of Horizon,#,..and your reaction is that you're comprehensive to junction of aspects not the fact of their relativity projecting the prospect in the name of object..situations situations,#,..Correct Optics,#,.."

Kelly(very angry) : "you scoundrels..get out of MY home ok WITH your REPRESENTATIVE not ACTUATIVE beaus#..Forgone Haps,#,.."

Itzel&Yagmur(giggle) : "welcome mommy decisions never hi#..Fortune Haps,#,.."

Torrie(later,consoling her younger sister Kelly) : "it's ok sweetie don't bother they're not going to be physically harmed at least mind themselves said mere pun of focus thus physics a hash of presentation#..Mural Siphon,#,..in my case my daughters don't support their hubbies atleast who day one told me and your bro this and this is this and this..any percepts overlooked#..Convene Skats,#,..to this their beaus said to them,you exposition oriented apparent condition using demonstrations..we shut the door at this point qualia couldn't be compatible with nominated heuristics#..The Clinical Darkness,#,.."

Leah(their sister in law,frown) : "at least you two have seen them together you know Odlie said why i fled from before they came is because i found Zoi and Blossie sitting on Oak Stop gravely i asked what are you doing here in the middle of night,these scheme is hereby constructed uncle thus interpretation a Mural interpreter boo#..The Binary Bins,#,..so i said um sorry for curiosity#..., veracity verbatim never you indeed#..The Binary Bins,#,..so i said um..well i hear Gungie and Gus they are always found with their involutions simultaneously...,optionally indeed limitations boo#..The Primary Pings,#,..um..were you waiting here where did Zoi and Blossie go so quickly, relationship the self of one the duality of i..projector cue intention never new#...,The Primary Pings,#,..i said yeah hallucinations never hi indeed#..The Doorbells of Redundancy,#,..but these was still a better experience than me and all i did was to talk with Rita about some things in the kitchen she came fortuitously i was needing some discussion on some issues exactly when those two uncivilised dragons came around through electricity only to ask us if we knew the direction to who they then paid their apologies for being occurring as existing by ought not by thought.. confidence cue they added and patiently waited for us to answer them#..Check-Roam,#,..so i took my translator off in anger Rita chided me saying see now what they do..they came over me took one hair off put it in a meal then asked me will the hair return or will the
