Brock(smile) : "no compeers this is only the method to force soundness on certainty this baby struggling for breath needs rather enetity that feeling of verficational identity not technical congeniality..not a proper explanation fair enough that feel see of revenge that feeling of victory#..Feelin' Crook,#,..

Oh Being don't you be a symbol..of look embeded advising authority..

thus positive you rehash to that feeling of brevity.."

Baby(uncomfortable yet giggles) : "oh doctor tell me how may i find what's this/oh young doctor do you feel or notice you as is#..Dashin' Rock,#,..(excited)..oh jackal jackal..look jackal jackal never search for/as that's that jackal of what's called for/jackal jackal look comes of a point/no jackal isn't another but observatory coined..as a detachment only if seen/countering though jackal objects formula can't in character of preset itself deem..biased in duality character/irritation redundant unless devil of apparatus..finds one among any but all/devil of help will thus object against formulation of for..ei fitted fitted..one fitted alas mine/oh construction you then aptly never fine/bit bit bit cleverness confess self/random vulture let alone as a meant..hands-on hands-on#..Nobility agnostic Apocalypse,#,.."
