..(Peniel@Cuitobilkim City,Hoenn@Night inside a house where a quarrel is talking place between a family,father mother two brothers and a sister)..

Father(angry) : "it doesn't matter.."

Son1(angry) : "it does.."

Mother(scowl) : "obviously for you.."

Daughter(scowl) : "thus you mean you're assured of the involvement of.."

Son2(angry) : "i don't care are you.."

Peniel(suddenly knocks the window) : "excuse my commitment to being compeers are but are you factual enough to tell me if here i can have a psychological hack on relationship : the instigation of craft.."

Son2(sees the window,extremely angry) : "you rascal how have you got up here huh you.."

Peniel(straight) : "i came here to steal something compeer my target was injunction of you but i found there's this causation that involves each as the others due..psychologically.."

Son1(scowl) : "how are you staying there we don't have any sun-shades or beams outside"

Peniel[Penny](straight) : "to stay compeer in reality the way you are standing on me the most holographic of this so and the.."

Daughter(angry) : "so i guess our problem has invoked some INTEREST in someone like you.."

Peniel(straight,zaps inside) : "right..yeah this is an Ultranercozma and this a Yveltal..if deemed as another despite understanding of the other indeed..the same way compeers interest arose in me when i asked it what it is it only pointed to thee..psychologically though this only means a horoscope open to see..agnostic to me but thee..thus i'm trying to find if you're only me..just as you want to be JUST AS ME..i happen to be born physically compeers in this plane thus these relationships comes along..i don't know if for security or spontaneously..or just the heuristics of obviously#..Relative Object,#,..but these conflicts the repercussions the situations but the start the preliminary survival compeer is onoly the lie of the humble my..shh..we were told..so exposin'#..Guzzle Humdrum,#,..hence when i came in ego self thought may this be the qualia of also..shh..we were told so dually observing..countering though observer by deciding..(turning into Sandra)..shh..we were told..so much definability countering though spontaneity the least successful..any objections as to why my form changed just as i wanted a functionally specific not defined my#..The A-Psychic Ones,#,.."
