

Brock(smile) : "i see i can't find dad nor can i

Brock(smile) : "i see i can't find dad nor can i find others nor do i know this place nor the way return nor anyone who j know understands my words but i hope they understand my feelings just as i understand that they may not be me as they won't be lost with me but them..these all feelings i see is so shallow..greetings compeer do you feel as me#..Oh Dashin' Oh Feelin' oh being feel the nought/of feeling no that feeling..subject just feel tge leadin' Rock,#,.."

Zed : "feeling compeer that feeling so shallow deepening the more.."

Brock(smile) : "thickening the lore cricketing is one feeling two's chore.."

Zed : "countering then hands-on no more.."

Brock(frown) : "thus you've decided to intrude actuality as it counters reality the hands-on preset#..Jubilee Hands-On,#,.."

Zed(smile) : "onset compeer hands-on counter of mentioner.."

Brock(frown) : "i don't like this loneliness being perturbed hands-on hence i'm leaving HANDS-On#..Jubilee Hands-On,#,.."

Zed : "as you wish i only said you if are then hands-on.."

Brock(scowl) : "countering what hands-on indeed self boo#.. Vagabonds of usage,#,..(smile)..ei Trace what if i involve in your practicality of presence from detachment#..The Boomerang of Thus,#,.."

Tracey(angry) : "you lowlife get off from exposition in the name of confession ok#..Dr Jackal,#,..(giggle)..Mr Cubin Mr Cubin why are you differentiable#..Dr Jackal,#,.."

Brock(giggle) : "and why you seem apparent if seen as in that feeling#..Dashin' Rock,#,.."

Cilan(scowl) : "thus you've decided to return from conformity to connectedness#..The Boomerang of Thus,#,..(giggle)..oh that's Dr Berry let's get an employment of ego#..The Boomerang of Such,#,.."

Persons(smile) : "ei Gary isn't this drama segment stage worthy#..The Boomerang of Pass,#,.."

Gary(angry) : "you lowlives didn't i get a favourable judgement on a PIL-DON'T specify these names in undefined qualia#..The Boomerang of Such,#,.."

Persons(later,giggle) : "ei Gary whose Violet we never met her before she seemed so um.. familiar to us said she know you for.."

Gary(angry) : "longer than familiarity on perceiving uneasiness if reflection said among this as not just this community which you lowlives missed it's not an intelligible creature move it#..Ms Volbeat,#,.."

Persons(giggle) : "oh we asked the other one who came after Viol she just came in when someone questioned what does she have to do in a sectional authority HQ became so visibly perturbed you know.."

Gary(very angry) : "saying a question is born out of need yeah..you lowlives didn't i pass an ordinance don't allow only mechanical checking for random strangers named Daisy that seem doesn't answer any question only the character of desire behind it#..DaisyDevil,#,.."

Persons(giggle) : "yeah after these two instances we became a bit scared so we called the security but for some reason it was busy but to inform that a voice said the desired destination is on hold by knowledgeable search farvant apologies for decisional discrepancy of construction of us..ei Gary it's so elusive you know like your words do you know these um..um..um.."

Gary(angry) : "contradictions of heuristics yeah The Fascicles of Facts indeed next time you mention these instances especially the last one..i'll withdraw apart from Marengo#..Rhe Actual Fascicles of Elusive Facts,#,.."

Gary(angry) : "you lowlife didn't i since day one banned the particular use of this specific word#..Nobility agnostic Apocalypse,#,.."

Gary(later,scowl) : "hallow there being while you're working in a sewage you seem to be able to establish a relationship not a connection with these substances any specific paths trodden RANDOMLY#.."

Worker(giggle) : "oh a broken voice recorder suddenly went abuzz just as i became curious to discern it."

Gary(angry) : "in this tone..

apparent-aformentioned#!.."

Work(giggle) : "oh me me me oh my/let conscious vulture try/oh free free free mist any/eh blur if behalf demure of meh any#..Humdrum Apps,#,.."

Gary(scowl) : "you're relieved for today compeer collect your change i've informed them i'll stay here for sometimes now this place seems haunted by comprehension anyway so long#..Nobility agnostic Apocalypse,#,.."

Worker(giggle) : "excuse me Sir but all know you to stay alone with a flower here we don't see it whose it um.. um.."

Gary(frown) : "reflexion of not reflection indeed compeer there is that flower no you won't see it again it's called the hallucination of adhere from me to me journey mere runner move it#..Wheel Running,#,.."

Worker(giggle) : "um..is that a Lillie flower like it's um..like yeah like um.. cause um.. like yeah um.. like it's so um.. beyond spontaneous like um.. yeah like Lillie flower#..The Personality Agnostic,#,.."

Gary(scowl) : "did you second guess what you looked at#..Colony Monogram,#,.."

Worker(giggle) : "yeah i thought like,look only at this/no look only at looking for is/oh look only at what/it's way better at staying at..where a blunder of me/obsessed with if the/thus look only at at/no intelligence boo as from and at..um..sorry sir i need to return it's getting dark now sorry for may be disturbinf you personally..um..professionally right thanks#..The Darkened Ones,#,.."

Gary(angry) : "Orrie you lowlife why are you hiding beneath duality to escape eventuality hum#..Living Hunter,#,.."

From Far Away many rejoice of the local workers at the end of day's work(giggle) : "urging urging surfing now/oh living hunter asking how/stop not till oh proven umpteen/refill concern living..me hunting..is living me hunting or is something me hunting..refill concern me hunting.coubtering look quill gunning/intention boo cycle..proven painting#..Living Gunning,#,.."

Gary(scowl) : "the humble pie indeed render too fuzzy as i move it#..Onus Render,#,.."

Inanimate sounds : <shh..jhh..tin dun..brhh..toonoo..du..pun>

From another group of relaxing workers(giggle) : "what..dual..hush then me..boo conscious.. swift swift..oh swift swift swift swift question/loh dual forked as one..reset reset reset..loh..to.. caution effecr contain#..Convicts of Definite,#,.."

Kids(elsewhere,giggle) : "harmful smell coming caution.. buzzing is look reason/offer vision's season/observer plan access/real boo knowable success..buzzing now a reason/offer preset planned season#..Vagabond of Surrender,#,.."

Gary(frown) : "excuse me compeers you seem to be escaping what's to you unwelcome do you try to
