Person1 : "Ei coming as alert you me/focus then gone to boo thee/then my oh hi me no i/hallow oh spur of inflection of defined i.."

Person2 : guzzle guzzle humdrum i/vulture nuzzle random my.."

Person3 : "oh wheel wheel run through i/intention then garlic boo humdrum me your i#.."

All of them : "focus this me and that you/focus alas observer boo/thus focus your being too i/survival let vulture of me for i try.."

Ghumair(giggle) : "thus i fooled Regi to think i cherished her but both Regi and her and an appearance is disjoint and random and decided on reflection thus i fooled her whose self is i so also's self is i so i's i Sir hence she complained to you why i didn't like her.."

Regina(giggle) : "which is again a randomised verb thus it's redundant hence too prone to decision on sentience rather than heuristic of if excess then rationally it's automated from me to be my entertainment so i involuted Ghumie hence he confessed his longing for me none of which pertains to qualia Sir how would you solve our divorce petition having to define all of us#..The Ousted Ones,#,..Ghumair+Regina un..,#,.."

🐱(very angry) : "you little brats get off from qualia ok#..The Ousted Ones,#,.."

Ghumair+Regina : "Me me me oh intention why/only stopped till i could define thy,#,..Jampa..Ei Jumpie do they remember the tone#..Czeslaw..Intention Garlic,countering Focus Cyclic,#,.."
