Person1(frown) : "this being is courageous enough to come to me straight despite knowing all about my business and my surroundings..this being should be let off compeers don't pick a fight with general mass in the name of ego you can't continue this business then.."

Person2(angry) : "i was insulted in front of.."

Person3(scowl) : "didn't you hear clearly..move it"

Person4(later,confronting Person2 and gang) : "i may die but.."

Person2(in a scuffle) : "as your rather will.."

Person4(later abducted) : "you may torture me.."

Person3(scowl,breaking in confronting 2) : "hey what's.."

Person2(angry) : "don't come into.."

Person1(coming in,frown) : "enough..you can't recognise bravery yet see this sample who didn't save own family didn't stand upto anything.."

Person(exasperated,timid,begging) : "may all mercy..i didn't..may.."

Person1(frown) : "and this being's parents stood upto Paukicolat..let him off get this one in#.."

Person4(frown) : "um..excuse me Sir but my family.."

Person1(frown) : "will reach before you.."

Person(mumbling) : "may all mercy.."

Person1(scowl) : "hey hey beg of us ok mercy isn't coming for cowards like you.."

Person(thumping..) : "reality..eventuality..discerned..nobility#.."

All(bewildered) : "wha.."

Person : "oh surging surging barging now.."

All taken aback as it echoes as : "Living hunter urging now.."

Person : "failed at any stand.."

Similarly : "coward assert time's sand.."

Person : "proven upmteenth fear's land.."

Similarly : "oh refill concern survival your self's hand.."

All(too scared) : "may all mercy..um..no..um..no not the most inflectin'..um..it should be inflecting#..Living Hunter,#,.."

Person : "thus i said compeers survivals ago just as ego i failed to live upto me just another innuendo..that all along no matter thy..shh..i'll be left it's my..shh..so ensuin' just to be me though another needs an i..shh..so recollectin'.."

All(exasperated) : "no..you're doing something to our conviction as me not um i..um..no we're conscious not that consciousness is practicable by us#..Refill Concern,#,.."

Person : "let me see..this is called eyes this is called tounge this is a hand..but i thought these are mine compeers else duality never stays on my land..shh..so benchmarkin'..the umpteenth trend of non dual's land..shh..so refillin' all pervading's command..the least another me mere technical stand..shh..so much ness featuring ones.."

All(giggle) : "is your name um..um.. Orion like um.. the cosmological hunter just so that an assertion can be in my command Uff Parred thus is i and so as in causal demand observer your attachment to commitment boo..hey who added this and where did Orion go and this Pearl came from it's um..so dependent on us unlike um we regardless of it's individualness..observation just lit up all pervading's

observer#..Photoshop Apps,#,.."

All(police station,too happy) : "oh my story you listen..nana/i will thus be your..haha/thus boo you  
qualia..lala/as spontaneous says survival you define me shoo observer..nana#..Bounty Hunter,#,.."

Vale(scowl) : "lavel these lowlifes as Bounty Hunters meaning mere insertion move it#..Bounty  
Hunter,#,.."
