

Person1(giggle) : "no i like your physical

Person1(giggle) : "no i like your physical appearance but i could also not tell you how will the excretion be then to find me so my#.Choiced Brats,#,.."

Person2(giggle) : "oh it will be like,

Am..oh ohh where..phew/spur dual oh name swear..whooh#.Fuh Where,#,..(together)..Ei Impluse me where..uhh/Oh Name of this swear..cue#.Name Swear,#,.."

Jim(frown) : "we've been told how relationship problems have been resolved compeers what exactly do you know of space sans self#.Am Where,#,.."

Person1,2(giggle) : "oh we both come from small business oriented families there was a piece delivered once at our offices in place of weekly checks by authorities sir you will know,that piece was Desire : The Name of Whereabouts#.Am Where,#,.."

Jim(scowl) : "that piece rather line#.Am Where,#,..was supposed to be explained not exclaimed#.Name Swear,#,.."

Person1,2(giggle) : "no it was explained but neither the explainers nor the audience realized why explanation itself wasn't attached to us but our#.Am Where,#,..exactly when we thought the other was albeit as me#.Name Swear,#,..we were told like,

oh i so my..whoo/where you..oh..my eww../Am me or you..two/One name boo..shuu..Two#..

it's called Buster Slash sir saw how explanation being free from i became too me thus reality look illusion mere Ohh..the name of you,you : the significant i,i : where name says my,Countering if there no more observer i..so like duality so um.. um.. own-agnostic but essence prone..like thus all pervasiveness is name's where slashing the am from swear..shh..we were told..so subistin' am where..oh just name swear busting the slash of survival of self's dual other from just to be countering,countering then where..all pervasiveness will not give name conscious swears..illusion so reality prone..just to be..shh..so acceptin'.. countering though once it's where then observer survives by self as in this am i a name swear..so many counters in duality sir saw saw#.Buster Slash,#,.."

Jim(scowl) : "this is a ploy of Dr Berry i tell you each explanation will fetch from the base of at least ()#.Outlaws of Evaluation,#,.."

Strawberry : "subject to my insert any validation where sewars validation's i too me prone you as in i..boo countering#.The Professional Ego,#,..my the most updatable compeer we were asked..anything like i deemed affordable by the onus of self : the definitive Voidness#.Onus Fender,#,.."
