

Person1(beaming) : "um..what may i say compeer

Person1(beaming) : "um..what may i say compeer it's all the grace.."

Person2(beaming) : "for me i only know devotion to.."

Authority(smile) : "then may be the authority killed you and forced you to budge compeers but this time we have a bigger voice a consensus and as it's shown how you were drowned and you committed suicide out of devotion we facilitate the renaming of this historical site.."

Person3(giggle) : "just a moment Sir,'mam i was there too i was taken away and brainwashed to follow the opposite then many things happened and then i returned another time to the devoted roots but um..i recall this geography you see..the same old structure the old situation albeit reversed the same old thing these dust particles these people everywhere you see is so resembling..that is i recall how a most unforgivable coward always tried to escape all these that is um.. somewhere here out of mind you see i recalled then later and now it's what is um..(giggle)..yeah yeah that cloud#..daddy mommy what was that song you both sang that time this cloud mocked you saying i've escaped only to fall apart,#,.."

Person2+1(thoughtful) : "um..the hymn ()..#

Kid(giggle) : "yeah yeah i recalled this not just in this plane or view..insentience the most secured insentience the least procured insentience the least erotemed insentience the most perfect conservation of surrender and escaping#.."

Suddenly Massive Lightings Occur as if too happy : <rr..rr..r..rr..boom..boom boom boom#..>
