

## Rescuers(curious) : "um..no he's still holding

Rescuers(curious) : "um..no he's still holding onto that strange coloured cube.."

Xena(crying) : "Clem..sweetie talk to mommy..Clem.."

Clemont(giggle,suddenly sitting up while playing with the cube) : "name claim aim blame on my stride/absent oh from so to hype/me in preset oh now then so/Peril causal boo renders to though..

Oh Peril Peril Render Spike/Absence Presence Vies/Grammar neutral of seeing just as/Fuzzy xerox of what has..

slender self look fuzzyness/renders oh Identity you to consciousness..

Oh me me me me render strikes/consciousness in all but sides/fuzzy dual or slender real/Peril Peril self's in the real..

oh one all pervading/Peril asks to Rend to Peril..Conscious Conscious#..Peril Render,#,..

oh i'm sorry are you waiting for me to confirm to self like you#..Peril Render,#,.."

Xena(throwing the cube away,tendering Clem,still crying) : "i'll give you another cube you must've hurt your head badly#.."

Clemont(pulling Xena's hairs,giggle) : "partly..like if i pull you hairs you feel hurt but because you are supposed to be preceding me in causing of whom what do you feel of who being if then and spontaneous oh yeah this or whom#..Choiced Brats,#,.."

Xena(frown,putting Clemont down) : "what's that cube all about#.."

Clemont(giggle) : "Oh that's so incessant mom like if one colour is picked then it's one yet fuzzy logic the same and the Peril will only render to including it's own self..iii.. it's so counterin'..yeah G never good for bein' it's so pointing unlike pointin'..consciousness shoo#..Peril Render,#,.."

Xena(frown) : "what is mom then#.."

Clemont(giggle) : "own or cone of oh dual stipe/medicine time is on to sprite/absent oh conscious i/ego forgo your survival of..Peril Rendered..countering saw..iii..it's so self destructin'..shuu..Peril Renders,Counterin'#..Peril Render,#,..thus anything is reflexive compeer,peer never thine#..Fuzzily Slender,#,.."

Xena(scowl) : "is this creature that mocking devil's face you sketched yesterday#..Peril Render,#,.."

Clemont(thumping..) : "Goy would've done like..

Separation#!..Look-only-At,#,..

oh look-only-at if/you no look-only;at looking is/oh look-only-at in/no look-only-at looking from no ping.. Gorrie would've added but if it was that Poppy flower would've viciously jumped me for mentioning a pointer of choice not preference#..Incentive Overdose,#,..

counterin' Discuss Gapped/Oh Peril Oh Devil's Foot..Renders..shuu..hihi At#..Convene Skats,#,.."

Poppy(heard,scowl) : "shut up you justification's contemporary b..#..Incentive Overdose,#,..it would've been said..

Peril Rends fruit of and that..

take that you dissolving but solving b..#..Incentive Overdose,#,.."

Xena(taking a Poppy flower that was lying beside,frown) : "what is the difference between this Poppy flower and thag Poppy flower#.."

Clemont(giggle) : "Personally/mind rally/considering compensating/incentive oh in-form/grandoise then qualia/Discuss Gapped absent intelligence you from I oh you why qualia#..Incentive Overdose,#,.."
