

Desmond(frown) : "i don't understand this

Desmond(frown) : "i don't understand this compeers if each of you represent a region why can't you represent all regions in just the same way#.."

Galar Facility Head(angry) : "as if you don't know the kind of threat we live our 11 Cities have been inaccessible ok#.."

Goy(heard) : "look-only-at this/no look-only-at looking for this#..Colony Monogram..countering,#,.."

Sevii head(angry) : "saw saw why Unova has the leverage over us at Bimlutirar Grasslands#.."

Goran(heard) : "why alas sections making up/ability thus further is stoppage on me from being my Oh I your self 's discussion with Consciousness if mentioned so Gapped#..Curly Mention,#,.."

Unova Head(scowl) : "and we have 0 certainty about our WHOLE region WHY#..The Elusive 🦎#,.."

Fiorre head(frown) : "and in each of these discussions we're never considered and the biggest loss is our Mr Desmond we can't even remember a whole region of our own hands-on..(very angry)..see see how Jubilee Hands-On uses space to insinuate about own#..Vagabonds of Usage,#,.."

Desmond(frown) : "the middling ones haven't said anything about this compeers#.."

Kanto Head(frown) : "we have no relationships on land,air or water only signals Mr Desmond we were threatened by a sly,Cunning,VINDICTIVE jackal originating from my region who pops up in the 4 corner meetpoint which is a oasis with much LUSH covering anyway#..Dr Jackal,#,.."

Johto Head(angry) : "and we wanted to stop business sith Sinnoh they the same why at border we were told,

this is mine..oh you i/alas wrong i thus let you the correct's Vultures try#..The Vulture Frontier,#,.."

Sinnoh head(angry) : "then we made the border open the general committee had representatives both why in each meeting we were told..

oh i will get this you/alas known as my..me thus let i's Vultures cue#..The Vulture Frontier,#,.."

Desmond(frown) : "the reasoning is simple compeers Pasio didn't allow Ms Volbeat to hold concerts at resorts for free why#..Ms Volbeat,#,.."

Pasio(frown) : "that lowlife with her following lowlife was singing like,

oh waves/oh my quest/all i want is hooo.. that's you hold due of my.. exclamation or excretion boo no self i..i..i..EW..#..Ms Volbeat,#,.."

Desmond(frown) : "i didn't get you compeer cause this is the translation of dark night ocean coasts which you know you must avoid at all cost else begin alas to trigger you action's Phantom#..Lastly Phantom,#,.."

Jampa(heard,too happy) : "detachment you change tye form/from now to new change thy norms/else
