

Sora(bit confused) : "um..Rik out of the three

Sora(bit confused) : "um..Rik out of the three none are um..tangible only palpable#.."

Romelu(giggle) : "ei seeing teeing slip focus giving slip fill up me/ei means by me boom thy giving slip of shipped what is.."

Viorica(giggle) : "documents alas focus apt/dual alas aptly act..(both giggle)/Seeing boom alas seen fact/as what seeing draft..

seer seer seer or seen me/aptly opine who or who..um..whoiiii..

ei me me me me me/focus got bludgeoned just to be me alll..thee..

ei thee the thee me or see the/ei focus got bludgeoned just to see#..Focal Bludgeon,#,.."

Adebayo(giggle) : "this is an ubiquitous feature compeers just as focus..the most esoteric as shuu..Bludgeon is IS..duality boo#..Aptly Opine,#,..(all three)..any relations founded#..The Adrifted Normal,#,.."

Raik(frown) : "it seems that at least the young two are single IN self also unlike a validity help#..The Automatic Ones,#,.."

Zoi : "appearance : the rust of happy..any technicalities subverted by consumption of focus to focus..no it's not an eroteme compeers it's the adjective or adverb..noun so related to who verb so towards's to..alas focus you Phantom to cue..witness boo#..Phantom : The Adjective of Adverb,#,.."

Sora(frown) : "we excepted to see you either as one or as two not as i entailing a circle to i as you#..The Automatic Ones,#,..or as we hear the perception of one as validated own thus involution only as two..validation your indefiniteness boo#..The Feathered Ones of the Doorbells of Redundancy,#,.."

Adebayo+Zoi : "Oh going up ok/coming down if no more survival/then you arrive/at me left to focus.. thus excretion/relation counter percept/aptly opine/survival or excrete of object..

duality me me me me conscious..

oh conscious oh conscious/aptly say up or down/excretion if not me/go down focus go down..

Oh focus oh focus/aptly opine/seeing or seer/continue or bludgeoned ing..

thus when i was there there we were so along and forlorn then from i as we thus excretion : the down-to-earth i..shh..we were added with..so refreshin',countering indeed we concurred#..Unto Murmur,#,.."

Sora(bit confused) : "um..Rik out of the three
