

## Wade(frown) : "greetings compeer indeed thus

Wade(frown) : "greetings compeer indeed thus Penchant Capped i admit which i located#..Location That,#,..i was told to by an unanimous order to fund out what exactly is Mural Siphon#.Verily Verbatim,#,..for which i was told to meet Penchant Cap the method was to fed up on self while observing this as a counter to observance capped as own self#..Location That,#,.."

Cap : "reflexions back compeer when you ended i need a self else i was only the location of help..a meaning a penchant a desire consciousness mere suture..the least defensible as the most deprivin'..shh..so enactin'.."

Wade(scowl) : "surely you could add a G in the end#..GH Comes Gone,#,.."

Cap : "Syllables in oneness#..Penchant Cap,#,.."

Wade's Entourage(giggle) : "oh repulsion oh attraction oh attention me peek a boo/memory look verily you verbatim i and who/oh reflecting to be reflexive survival you Deja Vu/defined then lasting till Mural Siphons me the you.."

Oh Trial and attempt you Verbatim also of/Mural Siphon understand truth or desire in shop/Verily Verily Verbatim says Verily/Mural Siphon in void peek a boos with Simile/Oh Attention Fended Surrender Humble I/Facet Contained Self Then Master how you will Try..III counteracting in the self/master brats aren't found unless hands-on is a help or self#..Master Brats,#,.."

Wade(very angry) : "thus Verily Verbatim is the least dual-able..meaning shoo#..Mural Siphon,#,..i'm seeing how Oak Labs survive having brought up this sort of dregs of reality like Verily Verbatim just a counter means just to be counteracting..if boom..Kuchi i warn you#.."

Entourage(giggle) : "that is Verily Verbatim..shuu.. counteracting in meaning.. counteracting too#.."

Wade(scowl) : "Mural Siphon.. observer observed say observation who or observation you who or any whom..verity too restrictive to self unlike boo#..Verily Verbatim,#,.."
