

Doctor(smile) : "yeah this is successful sir

Doctor(smile) : "yeah this is successful sir we've been able to make the newborn safe.."

Nurse(smile) : "and the child is healthy too it seems we're checking the response.."

Head(frown) : "what is the gender.."

Doctor(concerned) : "um..not very clear..but um.."

Nurse(concerned) : "it seems as if um.. we can and then can't um.. determine.."

Head(scowl) : "attribute any start as it will make us alone in self thus self to whole consisting else such a danger#..and these beings have followed this one i guess following as in address of else not facets of self#..Boulder,#,..yeah exactly same states the earlier one albeit in other's understanding helps not as part of compassion but just to be the feeling of self's self..see how feeling never is one as in felt countering#..Leadin' Rock#.."

Helpers(giggle) : "sir sir these five especially the leading one feels..iii..SO NAIVE#..Dashin Crook,#,.."

Head(scowl) : "that feeling compeer greetings Doctor Slate any comparison in feeling suppressed by the feeling of very discernment#..Dashing Rock,#,.."

First Child(smile) : "no question don't be a thinker,of cautionary ifs/feeling will feel how to..just let it live only in that feel#..Leadin' Rock,#,.."

Second Child(straight) : "as heard discerned then ala zeal becomes me/the who will be zealous..hush feels previous me#..Significance Shock,#,.."

Third Child(too happy) : "then will no more be this from the clutches of that/thus oh my self feel only..let it be in s lf grasp#..Limitation Liquid,#,.."

Fourth Child(thoughtful) : "ending will become the stoppage of any/thus oh commitment to be halt..just let it professionally#..The Professional Commitment,#,.."

Fifth Child(too excited) : "oh young doctor feeling or supplying/oh causal vector say terminal of applying/oh bracket on decision is behalf or as/feeling professional or professional feels professional as as#..The Vapour of Every#.."
