Dawn(laughing..): "then mom calls me after the whole saga..honey where are you, under the purview of Doctor Slate mom any anxiety felt#..Dashin' Rock,#,..then#..mom says,stay away from the sensational part of the sinister#..Ms Volbeat,#,..,i said well contrary to belief the baby flowers are far more indifferent to those who they know not construct or knows as abstract#..Incentive-per-Sos,#,..and Lillie flower is anonymous to specificity like Lillie flower#..but yeah i do concur with you that the Sensational Sinisters doesn't change their colours according to needs cause they don't have any sophistications in duaity organisation as they say#..the eldest one doesn't have any patience for anyone other than any and one in property#..DaisyDevil,#,..so first time i met Dase i said um..hallow sis,preset wise validation yeah#..DaisyDevil,#,..,and Ms Volbeat i met later who doesn't understand why intelligence is separate from perception#..Ms Volbeat,#,..so i said first time,um..hallow sis,how did you link i with you#..Ms Volbeat,#,..so yeah i understood any reply will send Ms Volbeat off the feeling to dealing hence retracted and said um no i heard many of songs you sing, no no then neither you nor i be particular only coaxial thanks#..Ms Volbeat,#,..so i realized behind this mask of features lies a completely unstable creature waiting to jump upon reflections of own from this#..Ms Volbeat,#,..,i see but don't try to even meet that elusive 🌗 #... The Elusive 🤚 , #,.., i said no i haven't yet that must be sought as an appointment due to demand not of verb but noun#..The Elusive ﴿ ,#,..,i see as yeah don't#..mix with that jackal much your comprehensive powers will diminish soon#...Dr Jackal,#,..i said no i've met the elder Skechits they were fetched from appearance not complement to observation i too understood#..The Contacted Ones,#,.."
