Perkha(smile): "um..but uncle who will teach me

Perkha(smile): "um..but uncle who will teach me about many things in order to get into some good courses for management no matter for the sake of an official qualification cause if i have to i must get a too good scholarship.."

Miroslav(laughing..): "well there's a very,very especial brat for this exact job that is the most obsessed follower of Colony Monogram rest most absurd#..Look-only-At,#,..you just revise few things tonight your time for execution will arrive#.."

Perkha(laughing..): "well Kumlie will be too happy to finally get me off from combat sports i understand and he does or surely do now that it was a bait to get other people in only as part of Unto Murmur we only Concurred the counter#..Guzzle Humdrum,#,..so ok i'll see.."

Kumaglak(later,smile): "no it's ok dear i'm going to meet your guide too..(laughing)..afterall it's an opportunity (both burst..)..

Serena(straight,in video): "greetings compeers i was told you were individuals so became curious if i was#..Serene Suspect,#,.."

Perkha(laughing..lot): "um..yeah i'm.."

Serena(irritated): "i can recognise your form being different to your proclamation as me over#..Serene Surmise,#,..now they told me Mrs Perkha Gubiras Kulinak wishes to pursue a management course so anyone of you who proves i'm the one can talk forth with you#..Serene Susceptible,#,.."

Kumaglak(laughing..lot): "um..no i'm sorry to disturb you but i you see am an aspiring combat sports athlete my involuntion was too but is much more talented in other ventures than this which was my opinion all along hence i was very happy at this decision of so wanted to see who will provide the guidence cause we as said are aspiring in all sectors of life.."

Serena(frown): "right to fight, fight to right, to then sights centre rightone in forlorn own plight yeah#...Serene-A yeah,#,.."

Kumaglak(going away): "yeah thanks it's been an opportunity indeed to meet you as me compeer indeed countering being too prone to me#..Physics Prone,#,.."

Serena(happy): "new: the subvertion of epiphany indeed#..Serene-of that-A yeah,#,..right being are you decided on being or seeing on top of intelligence#..Baby-per-Sos,#,.."
